Requests For Military Leave

OGC Has Reviewed

1. With reference to our exchange of memorandums last May there are now attached copies of this Division's memorandum of 28 May 1952 to the Office of General Counsel and its reply of 10 June 1952.

2. In view of the latter memorandum and particularly the final paragraph thereof, this Division assumes that in exercising your authority to approve requests for military leave for training purposes, as provided by Agency Regulation [redacted] you will require, as a prerequisite, that the employee state that the leave requested is for training purposes.
